ABSTRACT

This 45-item annotated bibliography is composed of materials for teaching English as a second language (ESL) at the elementary or secondary levels. For each of the entries, the following information is indicated: target language, educational level, material type, content area, title, date of publication, author/developer, publisher and availability information, and an abstract/description of the material. The bibliography includes teaching guides, curriculum guides, textbooks, workbooks, writing and reading activities, program descriptions, vocabulary development activities, and language proficiency testing materials.
